

Event technician audio (m/f/d) BOTTROP/NRW

Description

We, TDA CLAIR GmbH, are a technical service provider (audio/lighting/video) in the international event industry (concerts/festivals/tours) and are looking for an event technician in the field of audio in our warehouse in Bottrop (m/f/d).

What we offer:

- An exciting field of work in the international event industry
- Working at eye level
- 30 days holiday
- An open-minded team
- Personal development opportunities and further training

What we are looking for:

- Training and/or work experience in event technology
- Fun at work
- Ability to work in a team
- Willingness to take on responsibility
- Willingness to work weekends and variable working hours during peak season
- Car driving licence

Tasks:

- Preparation and follow-up of productions and dry hire
- Assisting external technicians (e.g. in tour preparation)
- Prepare and assemble equipment according to equipment list and construction plans
Checking/maintaining equipment (hardware and software, also in cooperation with the workshop)
- Checking incoming and outgoing equipment
- Maintaining a basic order in the stock of goods
- Instructing trainees
- Instructing stagehands
