

Event Technician (Audio Roadcrew: Technikermode11) (m/f/d)

Employment type
Full-time

Description

We, TDA Clair GmbH, are a technical service provider (Audio/Light/Video) in the international event industry (concerts/festivals/tours) and are currently looking for an employee (m/f/d) to join our workshop.

Job Location

TDA Clair GmbH, Gohrweide 23,
45238 Bottrop

Your responsibilities:

- Interpreting technical drawings and planning documents as the basis for setting up sound systems.
- Independently setting up, commissioning, and maintaining sound systems, including microphones, speakers, and wiring at events of varying sizes.
- Performing basic troubleshooting of audio and wiring issues.
- Ensuring the smooth functionality of technical equipment during the event.
- Performing the orderly dismantling of technical infrastructure after the event.
- Supporting project managers in the planning and implementation of audio systems, including providing and coordinating necessary equipment.
- Give direction to local labor for equipment placement during load-in and load-out.
- Perform all tasks in the field in compliance with company safety standards.
- Continuous training on new technologies and skills.

Our Expectations:

- Completed vocational training in event technology or a related field.
- At least 1-2 years of experience in the field of live event technology is preferred.
- Strong willingness to learn and the ability to continue training with new technology and equipment, in line with the advancement of your skill set.
- Proficiency in German and English, both written and spoken.
- Strong technical understanding and the ability to quickly solve problems and improvise
- High level of service orientation.
- Willingness to continue learning about the company's structure and the many other departments that support our field service efforts.
- Willingness to travel.

What we offer:

- Permanent employment with the opportunity to work independently and contribute your ideas to daily operations
- Working on an equal footing in an international team
- A friendly, respectful, and human work environment where "we" is the most important
- Opportunities for further education through regular training sessions
- Career advancement opportunities (national/international)

You are welcome, no matter where you come from or who you are! We understand

that sometimes people refrain from applying for a position because they believe they must possess all the skills listed in the job requirements, and they may feel discouraged if this is not the case. What matters most to us is that you bring the necessary core competencies, are motivated to develop, and learn, and fit well into the team. Everything else will evolve and build up through collaboration.

If you are interested in a position with us and believe you could be a good fit, please upload your application either on this portal or contact us directly at: careers.bot@clairglobal.com
