

Event Technician (Audio Roadcrew: Technikermode11) (m/f/d)

Employment type

Full-time

Description

We, TDA Clair GmbH, are a technical service provider (Audio/Light/Video) in the international event industry (concerts/festivals/tours) and are currently looking for an employee (m/f/d) to join our workshop.

Job Location

TDA Clair GmbH, Gohrweide 23,
45238 Bottrop

Your responsibilities:

- Maintenance and repair of electrical and mechanical devices
- Scheduled cleaning and maintenance of mechanical components
- Analysis and troubleshooting of functional faults
- Initiation of spare parts procurement and replacement of parts, components, and assemblies
- Documentation of repairs and creation of service reports in the in-house IT system
- Close collaboration with various departments and trades within the company
- Conducting safety inspections (including DGUV V54, DGUV V3 after appropriate training)

Our Expectations:

- Completed vocational training (Electrical specialist qualification is advantageous)
- Good organizational skills and ability to grasp concepts quickly
- A responsible and reliable personality
- Proficiency in German (spoken and written)

What we offer:

- Permanent employment with the opportunity to work independently and contribute your ideas to daily operations
- Working on an equal footing in an international team
- A friendly, respectful, and human work environment where "we" is the most important
- Opportunities for further education through regular training sessions
- Career advancement opportunities (national/international)

You are welcome, no matter where you come from or who you are! We understand that sometimes people refrain from applying for a position because they believe they must possess all the skills listed in the job requirements, and they may feel discouraged if this is not the case. What matters most to us is that you bring the necessary core competencies, are motivated to develop, and learn, and fit well into the team. Everything else will evolve and build up through collaboration.

If you are interested in a position with us and believe you could be a good fit, please upload your application either on this portal or contact us directly at: careers.bot@clairglobal.com
