

Event Technician (Audio Warehouse) (m/f/d)

Description

TDA Clair GmbH is a globally operating company in the event industry. We are a technical service provider in audio/light/video for concerts/festivals/tours. In addition to renting equipment, our focus is planning and implementation of technical event concepts. This includes complete solutions for tours, festivals and corporate events. The integration into the globally operating company Clair Global now makes TDA Clair GmbH part of a global and market-leading company.

Employment type

Full-time

Beginning of employment

Permanent

Job Location

TDA Clair GmbH, Gohrweide 23,
45238 Bottrop

We are now looking for an event technician for our audio warehouse (m/f/d).

Your Responsibilities:

- Preparation and follow-up of productions (order picking)
- Assisting event technicians (e.g. in tour preparation)
- Providing and assembling material according to material lists and technical drawings
- Checking/maintaining/caring for equipment (hardware and software also in cooperation with the workshop)
- Quality control according to internal company standards
- Inspecting the entry and exit of rented third-party equipment
- Instructing trainees and warehouse assistants

Our Expectations:

- Good organizational skills and comprehension
- A responsible and reliable personality
- Completed vocational training in the field of event technology (advantageous)
- German (spoken and written)
- Basic knowledge of English
- Forklift license (advantageous)
- Class B driving license

What we offer:

- A permanent position where you can work independently and bring your ideas into everyday work.
- Working on an equal footing in an international team.
- A collegial, respectful and humane working environment
- The opportunity to further your education through regular training courses
- Opportunities for advancement (national/international)
- Opportunity for a job bike

You are welcome, no matter where you come from or who you are! You don't have all of the skills listed? What is important to us is that you have the necessary core competencies, are motivated to develop further, want to learn and fit well into the team. Everything else will then develop.

If you are interested in a position with us and think that you could be a good fit for us, either upload your application here in the portal or contact us directly at: careers.bot@clairglobal.com
