

## Event Technician (Lighting Roadcrew: Technikermode11) (m/f/d)

**Employment type**  
Full-time

### Description

We, TDA Clair GmbH, are a technical service provider (Audio/Light/Video) in the international event industry (concerts/festivals/tours) and are currently looking for an employee (m/f/d) to join our lighting-roadcrew.

### Job Location

TDA Clair GmbH, Gohrweide 23,  
45238 Bottrop

### Your responsibilities:

- Interpretation of technical drawings and planning documents as a basis for setting up lighting systems
- Independent setup, commissioning, and maintenance of lighting systems, including conventional and intelligent fixtures, fog and hazer machines, as well as data and power cabling for events of various sizes
- Troubleshooting
- Ensuring the smooth operation of technical equipment during events
- Proper dismantling of technical infrastructure after the event
- Guiding local staff during setup and teardown
- Performing all tasks on-site while adhering to the company's safety standards.
- Continuous training in new technologies and skills.

### Our Expectations:

- Completed vocational training in event technology or a related field
- At least 1-2 years of experience in event technology is advantageous.
- High willingness to learn and the ability to continuously improve skills and stay up to date with new technologies and equipment.
- Proficiency in both written and spoken German and English.
- Strong technical understanding and the ability to solve problems quickly and act improvisationally.
- High level of service orientation.
- Willingness to learn about the company structure and the various departments supporting our field services.
- Willingness to travel.
- Knowledge of Vectorworks, control systems (grandMA2/3, Chamsys, Hog), remote follow systems (Robe Robospot, Follow-Me), and Luminex products is a plus.

### What we offer:

- Permanent employment with the opportunity to work independently and contribute your ideas to daily operations
- Working on an equal footing in an international team
- A friendly, respectful, and human work environment where "we" is the most important
- Opportunities for further education through regular training sessions
- Career advancement opportunities (national/international)

You are welcome, no matter where you come from or who you are! We understand that sometimes people refrain from applying for a position because they believe they must possess all the skills listed in the job requirements, and they may feel

discouraged if this is not the case. What matters most to us is that you bring the necessary core competencies, are motivated to develop, and learn, and fit well into the team. Everything else will evolve and build up through collaboration.

If you are interested in a position with us and believe you could be a good fit, please upload your application either on this portal or contact us directly at: [careers.bot@clairglobal.com](mailto:careers.bot@clairglobal.com)
